COVID - 19 PANDEMIC

The COVID -19 pandemic is a once in a lifetime occurrence that has brought with it unimaginable suffering to people and to almost all section of the economy. When the pandemic struck and led to nationwide lockdowns to curtail the transmission of disease. It was natural to fear that the global economy would stay in extreme stress of the kind not seen the Great Depression and would have a long-lasting economic impact.

To counter the crippling impact of the lockdowns on economies, the world's policymakers have resorted to fiscal and monetary measures never seen before in global economy history. It still remains to be seen if these relief measures sufficed, and whether action taken by Governments across the globe adequately compensated for the disruptions created in the lives of people.

Fortunately for India, which is home to some of the largest vaccine makers in the world, the supply constraints should be limited and temporary. Moreover, our experience in implementing large scale vaccination programmes should help in vaccinating our vulnerable population. Even so with many states in India witnessing a seriously full-blown second surge of COVID-19, the vaccination challenge is enormous.

In view of COVID-19 pandemic's current scenario in the Country, your directors are evaluating further business opportunities in order to make the operations profitable. There will not be any negative impact of COVID-19 on the ability of the company to sustain its operations or liquidity; however, there would certainly be an impact on its profitability which would be dependent on capital market conditions in future.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

OVERVIEW

The financial statements for the year have been prepared in compliance with the requirements of the Companies Act, 2013, guidelines issued by the Securities and Exchange Board of India (SEBI), prudential norms issued by RBI, Ind AS, i.e. Indian Accounting Standards prescribed by the Institute of Chartered Accountants of India and the Generally Accepted Accounting Principles in India.

Our Management accepts responsibility for the integrity and objectivity of these financial reported statements. The estimates and judgments relating to the financial statements have been made on a prudent and reasonable basis, so that the financial statements reflect in a true and fair manner and reasonably present our state of affairs, profits and cash flows for the year.

THE COVID -19 PANDEMIC

The COVID -19 pandemic is a once in a lifetime occurrence that has brought with it unimaginable suffering to people and to almost all section of the economy. When the pandemic struck and led to nationwide lockdowns to curtail the transmission of disease. It was natural to fear that the global economy would stay in extreme stress of the kind not seen the Great Depression and would have a long-lasting economic impact.

After an estimated historic correction of (3.3%) in 2020. The International Monetary Fund (IMF) has projected the global economy to grow 6% in calender year 2021 and 4.4% in 2022 on the back of the fiscal and monetary support provided by Governments of the world over coupled with widespread vaccination.

The lockdown that continued throughtout the first quarter of the FY2021 saw India's GDP for April-June 2020, contracting by a massive 24.4%. Even the second quarter was terrible, with GDP shrinking by 7.3% in July-September 2020. Thereafter, we have seen a rebound – thanks to the resilience of our citizens, our entrepreneurs and of our economy.

The third quarter (October-December 2020) saw a small positive growth of 0.4% compared to the same period in the previous year. The second advance estimates of national income for FY2021 released by the Central Statistics Office (CSO) on 26 February 2021 anticipates the total contraction for FY2021 to be 8% -- implying a significant 'V' shaped bounce-back in the second half of the year. The most recent IMF forecast has also raised India's GDP growth estimate for FY2022 from 11.5% to 12.5%. If that were to occur. It will be the most significant growth turnaround among all the major nations of the world, including China.

MACROECONOMIC OVERVIEW

Given the impact of the pandemic, FY2021 was expected to be an extremely demanding year. The consensus was that GDP growth in FY2021 would not only be negative but also would constitute the greatest fall in growth since 1979-80.

In fact, the degrowth in GDP was much larger than expected. For April-June 2020, real GDP contracted by a massive 24.4%. India had never recorded a quarter of negative growth since it began issuing such data publicly in 1996. No other large economy shrank so much during the pandemic. In the second quarter, July-September 2020, GDP again contracted by 7.3%. The consensus was that growth in the second half of the fiscal year would be far less than what was needed to erase the effect of the deep recession in the first half.

Thankfully, we began to witness early signs of resumption of economic activity in the second half of the year with several high frequency indicators suggesting that the economy was back on to positive growth. The third quarter (October-December) recorded a GDP growth of 0.04%.

To alleviate the economic stress induced by the pandemic the Government of India announced a Rs. 20.9 lakh crore economic package (or about 10% GDP). Of this, 1.2% of GDP comprised direct fiscal spending and the rest consisted of (i) loan and guarantee schemes of 10.4 lakhs crore, or about 5% GDP and (ii) the RBI's liquidity measures of Rs 8.01 lakh crore, or about 3.8% of GDP.

INFLATION AND INTEREST RATE

Given a sharp contraction in domestic economic activities and soft stance of global bankers toward interest rates as to promote consumption activities are likely to keep interest rate scenario benign in India. A sharp fall in oil prices and other commodities are likely to result in softening of inflation rate in subsequent months, which along with a normal monsoon forecast does not warrant a significant rise in the food inflation trajectory. The RBI had changed its stance from neutral to accommodative in its June'19 monetary policy and is expected to continue going forward given the macroeconomic backdrop.

INDIAN EQUITY MARKETS

The Indian equity indices have tracked the global markets with near perfect correlation. The Sensex peaked to its all time high on 20th January, 2020 to 42,274 level and thereafter corrected sharply to 25,639 on 24th March, 2020 (a fall of 39% in two months). The Index has moved up from those lows to around 32,000 in the month of May, 2020. Many read this up move as a "Bear market rally", which is always sharp upwards but may not sustain over the year. Many others believe that with the opening up of the economy, a promising monsoon, substantially higher global liquidity, the financial support of the RBI and the Finance Ministry, the markets may remain in an uptrend for the better part of the year.

India's financial service sector has grown from strength to strength, built on prudential lending practices, robust regulatory environment and sound technology base, and has competently met the aspirations of the vast population and enabled economic activities. The competitive landscape of financial services sector has witnessed rapid growth in the last couple of decades.

The financial services industry has come a long way in its reach and resilience. Niche market players and product innovations are making a mark in the financial services space.

The government has continued on the steady path of fiscal consolidation, without compromising on the public investment requirements of the company. There has considerable progress being made in building consensus for the Goods & Services Tax (GST) since the date of roll out i.e. 1st July, 2017. Passing of the Insolvency & Bankruptcy Code (IBC), 2016 and the creation of infrastructure for its effective implementation was another major achievement which should further improve the ease of doing business and quicker resolution of financial restructuring and recovery of dues by the lenders.

All the above reforms measures supported by economic legislation as also deletion from the statute large number of archaic legislation should go a long way in improving the image of the Country for ease of doing business and attract higher level of Foreign Direct Investment and capital formation in the economy which should help in the growth of business opportunities for your Company

NBFC SECTOR

NBFCs have been playing a very important role both from the macro-economic perspective and the structure of the Indian financial system. NBFCs are the preferred alternatives to the conventional banks as a financial intermediary for meeting various financial requirements of a business enterprise, as they provide a hassle free credit. From the point of significance of presence and performance, Non-Banking Finance Companies (NBFCs) continue to make a major impact on the lending side both in consumer/retail lending and commercial/business lending.

INDUSTRY OVERVIEW

NBFCs have become important constituents of the financial sector and have been recording higher credit growth than scheduled commercial banks (SCBs) over the past few years. NBFCs are continuously leveraging their superior understanding of regional dynamics, well-developed collection system and personalized services to expedite financial inclusion in India. Lower transaction costs, quick decision making, customer orientation and prompt provision of services have typically differentiated NBFCs from banks. Considering the reach and expanse of NBFCs, these are well-suited for bridging the financing gap. Systemically important NBFCs have demonstrated agility, innovation and frugality to provide formal financial services to millions of Indians.

Over the last decade, NBFCs have witnessed phenomenal growth. From being around 12% of the balance sheet size of banks in 2010, these are now more than a quarter of the size of banks.

NBFCs are the largest net borrowers of funds from the financial system with gross payable of Rs. 9.37 lakh crore as of 30 September 2020. HFC are the second largest borrower of funds from the financial system with gross payable of around of Rs. 6.20 lakh crore as at 30 September 2020.

The disruption in business was most severe for NBFCs and HFCs who registered a negative growth of 25% on a year-on-year basis for the period ended December 2020 versus a growth of

47% for the period ended December 2019. Home loans business witnessed a faster revival in volumes on the back of supportive property prices, stamp duty, reductions by some state Governments and favourable interest rate environments as lenders thronged to lower risk assets.

To provide further relief to distressed, customers, the RBI in its notification dated 6 August 2020, allowed banks, NBFCs and HFCs to undertake one-time restructuring of stressed loans on account of COVID-19 pandemic. NBFCs and HFCs were more impacted than banks as these entities had to provide moratorium to their customers, without getting similar relief on their liabilities.

To provide additional relief, the Government of India announced ex-gratia payment to lenders for waiving off compound interest for loans up to Rs. 2 crore for some category of borrowers.

Recently, the Honorable Supreme Court has directed all banks and financial institutions to refund compound interest, interest on interest or penal interest collected during the moratorium period irrespective of the loan amount and category of borrowers. The Supreme Court also lifted the ban it had imposed on declaring accounts of borrowers as non-performing assets.

Customer servicing and debt recovery was already envisaged as a challenge during the pandemic induced stress. Individuals were losing their livelihoods and businesses were struggling to overcome disruptions while facing demand-supply constraints.

To provide succor to customers, the authorities went all out to offer relief by announcing equated monthly (EMI) moratoriums, Emergency Credit Line Guarantee Scheme for the SME sector, relief on compound interest and a resolution framework for COVID-19 related stress.

BUSINESS AND INDUSTRY REVIEW

Your Company is a NBFC registered with the RBI to carry out NBFC activities under Section 45(IA) of the Reserve Bank of India Act, 1934 and it is engaged primarily in the business of investing / trading in securities.

BUSINESS OUTLOOK

The primary securities market seems to have come out of its lull during the financial year 2019–20. Both the total number of issues and the resources mobilized from the primary securities market have gone up. IPOs and public debt issues have contributed to this performance more than rights issues.

Volatility in the equity markets would continue to present the investors with good opportunities to further invest. Your Company continue to remain positive on the long-term outlook on the Indian equity markets on the back of strong macro parameters, improving growth outlook and benign inflation and believes to invest in equities in line with their risk profile.

Your Company will increase its product base as far as raising resources and deploying them in safe and profitable manner particularly in shares/securities of real estate companies and lending to MSME's where there is a vast development scope of profitable business.

RISKS AND CONCERNS

The Company is exposed to specific risks that are inherent to its business model and the environment within which it operates. The Company manages these risks by maintaining a conservative yet aggressive profile and by following prudent business and risk practices.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF GOLD ROCK INVESTMENTS LIMITED

Report on the Standalone financial statements

We have audited the accompanying standalone financial statements of **GOLD ROCK INVESTMENTS LIMITED** ('The Company'), which comprise the Balance Sheet as at March 31, 2021, Statement of the Profit & Loss (including other comprehensive income), changes in equity and the cash flow statement for the year ended including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements"). In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and Profit & Loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matter described below to be the key audit matter in our audit of the Company for the year ended March 31, 2021:

Sr. No.	Key Audit Matter	Auditor's Response
1.	Fair Valuation of investments	
	The Company's investments (other than	We have assessed the Company's process to

<p>investment in Subsidiary and Associates) are measured at fair value at each reporting date and these fair value measurements significantly impact the Company's results. Within the Company's investment portfolio, the valuation of certain assets such as unquoted equity requires significant judgement as a result of quoted prices being unavailable and limited liquidity in these markets.</p>	<p>compute the fair value of various investments. For quoted instruments we have independently obtained NSDL valuation report and recalculated the fair valuations. For the unquoted instruments, we have obtained an understanding of the various valuation methods used by management and analysed the reasonableness of the principal assumptions made for estimating the fair values and various other data used while arriving at the fair value measurement.</p>

Information other than the standalone Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, Management Discussion and analysis, Board's Report, including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit and loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and

presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the

audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial that, individually or in aggregate, makes it probable that the economic decisions of a reasonable knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Standalone Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”. Our Report express an unmodified opinion on the adequacy and operating effectiveness of the company’s internal financial controls over financial reporting.
- g) With respect to the matter to be included in the Auditors’ Report in accordance with the requirements of section 197(16) of the act, as amended, In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.
- h) With respect to the other matters to be included in the Auditors’ Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us, we further report that:
 - i. The Company has disclosed the impact of pending litigations as at March 31, 2021 on its financial position in its standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE B TO AUDITOR'S REPORT

Referred to in paragraph 2 (f) under "Report on other Legal and Regulatory Requirement's" section of our report to the members of GOLD ROCK INVESTMENTS LIMITED of even date Report on the Internal Financial Controls under clause (i) of sub section 3 of section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **GOLD ROCK INVESTMENTS LIMITED** as of **March 31, 2021** in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for the Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of internal financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI), these responsibilities include the design, implementation and maintenance and adequacy internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibilities

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with Guidance Note in Audit of Internal Financial Controls over Financial Reporting (the Guidance Note) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India (ICAI). Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system over financial reporting and their operating effectiveness. Our audit of Internal Financial Controls over financial reporting included obtaining an understanding of Internal Financial Controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of Internal Financial Controls based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls over financial reporting.

Meaning Of Internal Financial Controls over Financial Reporting

A company's Internal Financial Controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's Internal Financial Controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of the records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditure of the Company are being made only in accordance with authorization of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls Over Financial Reporting

Because of the inherent limitation of Internal Financial Controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or frauds may occur and not be detected. Also projection of any evaluation of the Internal Financial Controls over financial reporting to future periods are subject to the risk that the Internal Financial Controls over financial reporting may become inadequate because of changes in condition, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the company has, in all material respects, an adequate Internal Financial Controls over financial reporting and such Internal Financial Controls over financial reporting were operating effectively as at March 31, 2021, based on the Internal Controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes on Standalone Financial Statements for the year ended March 31, 2021

1. Background of the Company

Gold Rock Investments Limited is a Public limited company domiciled and incorporated in India having its registered office at 507, 5th Floor, Plot no. 31, 1 Sharda Chamber Narsi Natha Street, Bhat Bazaar, Masjid, Chinch bunder Mumbai – 400009. Maharashtra

Gold Rock Investments Limited is a public limited company referred to as ("The Company" or "GRIL") is a non-deposit accepting non-banking financial company (NBFC) registered with the Reserve Bank of India under the category of Investment Company.

The company's activities primarily comprises of investing in listed and unlisted equity shares, debt instruments and mutual funds etc. The shares of company are listed on the BSE.

The standalone financial statements of the Company as on March 31, 2021 were approved and authorised for issue by the Board of Directors on 30th June, 2021

The national lockdown announced on March 23, 2020 owing to the COVID-19 pandemic affected activities of organizations across the economic ecosystem, impacting earning prospects and valuations of companies and creating volatility in the stock markets. The resultant impact on the fair value of the investments held by the Company are reflected in the Total Comprehensive Income and Total Equity of the Company for the year ended March 31, 2021, in line with the Accounting Policy consistently followed by the Company.

The future income from investments and the valuations of investee companies would depend on the global economic developments in the coming months and the resumption of activity on gradual relaxation of Lockdowns. Based on the current assessment of the potential impact of the COVID-19 on the Company, management is of the view that the balance sheet of the Company has adequate liquidity to service its obligations and sustain its operations.

2. STATEMENT OF COMPLIANCE WITH IND AS:

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

3. BASIS OF PREPARATION OF STANDALONE FINANCIAL STATEMENTS:

The standalone financial statements have been prepared on accrual basis under the historical cost convention except for certain financial instruments measured at fair value at the end of each reporting period as explained in accounting policies below.

The standalone financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest lacs, unless otherwise indicated.

4. USE OF ESTIMATES:

The preparation of standalone financial statements in conformity with the recognition and measurement principles of Ind AS requires management of the Company to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures including disclosures of contingent assets and contingent liabilities as at the date of financial statements and the reported amounts of revenues and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

Key sources of estimation of uncertainty at the date of the standalone financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of: fair valuation of unquoted equity investments, impairment of financial instruments, impairment of property, plant & equipment, useful lives of property, plant & equipment, provisions and contingent liabilities and long term retirement benefits.

5. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

5.1 Basis of preparation of Financial Statements

The accounting policies, as set out in the following paragraphs of this note, have been consistently applied, by the Company, to all the periods presented in the said financial statements. The preparation of the said financial statements requires the use of certain critical accounting estimates and judgments. It also requires the management to exercise judgment in the process of applying the Company's accounting policies. The areas where estimates are significant to the financial statements or areas involving a higher degree of judgment or complexity

The financial statements are based on the classification provisions contained in Ind AS 1, 'Presentation of Financial Statements' and division II of schedule III of the Companies Act 2013.

Further, for the purpose of clarity, various items are aggregated in the statement of profit and loss and balance sheet. Nonetheless, these items are dis-aggregated separately in the notes to the financial statements, where applicable or required. All the amounts included in the financial statements are reported in Indian Rupees ('Rupees'), which is the Company's functional currency. All financial information presented in INR are in absolute terms except per share data and unless stated otherwise.

5.2 Historical Cost Convention

The financial statements have been prepared on the accrual and going concern basis, and the historical cost convention except where the Ind AS requires a different accounting treatment. The principal variations from the historical cost convention relate to financial instruments classified as fair value for the followings:

- (a) certain financial assets and liabilities and contingent consideration that is measured at fair value;
- (b) assets held for sale measured at fair value less cost to sell;

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

5.3 Current versus non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification. An asset is treated as current when it is:

- a) Expected to be realized or intended to be sold or consumed in normal operating cycle
- b) Held primarily for the purpose of trading, or
- c) Expected to be realized within twelve months after the reporting period other than for (a) above, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a) It is expected to be settled in normal operating cycle
- b) It is held primarily for the purpose of trading
- c) It is due to be settled within twelve months after the reporting period other than for (a) above, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

5.4 Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each Balance Sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

The Company categorizes assets and liabilities measured at fair value into one of three levels as follows:

- Level 1 — Quoted (unadjusted): This hierarchy includes financial instruments measured using quoted prices.
- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 - They are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about

pricing by market participants. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

5.5 Financial Instruments

Classification

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The financial instruments are recognized in the balance sheet when the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial instruments at initial recognition.

Financial assets, other than equity, are classified into, financial assets at fair value through other comprehensive income (FVOCI) or fair value through profit and loss account (FVTPL) or at amortised cost. Financial assets that are equity instruments are classified as FVTPL or FVOCI. Financial liabilities are classified as amortised cost category and FVTPL.

Business Model assessment and Solely Payments of Principal and Interest (SPPI) test:

Classification and measurement of financial assets depends on the business model and results of SPPI test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including;

- How the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel
- The risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way those risks are managed
- How managers of the business are compensated (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected)
- The expected frequency, value and timing of sales are also important aspects of the Company's assessment

If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

Initial recognition and measurement

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in the Statement of profit or loss.

Financial assets and financial liabilities, with the exception of loans, debt securities and deposits are recognised on the trade date i.e. when a Company becomes a party to the contractual provisions of the instruments. Loans, debt securities and deposits are recognised when the funds are transferred to the customer's account. Trade receivables are measured at the transaction price.

Subsequent measurement

i. Financial assets measured at amortized cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost using the effective interest rate ('EIR') method (if the impact of discounting / any transaction costs is significant). Interest income from these financial assets is included in finance income.

ii. Debt Instruments at FVOCI

Debt instruments that are measured at FVOCI have contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on principal outstanding and that are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets. These instruments largely comprise long-term investments made by the Company.

FVOCI debt instruments are subsequently measured at fair value with gains and losses arising due to changes in fair value recognised in OCI. Interest income and gains and losses are recognised in profit or loss in the same manner as for financial assets measured at amortised cost. On derecognition, cumulative gains or losses previously recognised in OCI are reclassified from OCI to profit or loss.

iii. Equity investments at FVOCI

These include financial assets that are equity instruments as defined in Ind AS 32 "Financial Instruments: Presentation" and are not held for trading and where the Company's management has elected to irrevocably designated the same as Equity instruments at FVOCI upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognised directly in other comprehensive income, net of applicable income taxes.

Gains and losses on these equity instruments are never recycled to profit or loss.

Dividends from these equity investments are recognised in the statement of profit and loss when the right to receive the payment has been established.

iv. Financial assets at fair value through profit or loss ('FVTPL')

All financial assets that do not meet the criteria for amortized cost or at FVOCI on initial recognition are measured at fair value through profit or loss. Interest (basis EIR method) income from financial assets at fair value through profit or loss is recognized in the statement of profit and loss within finance income/ finance costs separately from the other gains/ losses arising from changes in the fair value.

De-recognition

A financial asset is de-recognized only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognized.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognized if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of Impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- b) Financial assets that are debt instruments and are measured as at FVTOCI
- c) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18
- d) Loan commitments which are not measured as at FVTPL

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables or contract revenue receivables; and
- All lease receivables resulting from transactions within the scope of Ind AS 17

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L).

5.6 Financial liabilities

Financial liabilities equity instruments issued by the company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Trade and Other Payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial period which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value.

Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

5.7 Borrowing Cost

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying asset are capitalized as part of cost of such asset. Other borrowing costs are recognized as an expense in the period in which they are incurred.

Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds.

5.8 Property Plant and Equipment and Intangible Assets

Property, plant and equipment and intangible assets are stated at cost of acquisition less accumulated depreciation / amortisation. Cost includes all expenses incidental to the acquisition of the Property, plant and equipment and intangible assets and any attributable cost of bringing the asset to its working condition for its intended use.

5.9 Depreciation and amortisation of property, plant and equipment and intangible assets

Depreciation on following tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the furniture and fixtures, in which case the life of the assets has been assessed taking into account the nature of the assets, the estimated usage of the asset on the basis of the managements best estimation of getting economic benefits from such assets.

Tangible Assets	Useful life in years
(a) Buildings	60
(b) Plant and Equipment	15
(c) Furniture and Fixtures	10
(d) Vehicles	8
(e) Office Equipment	5
(f) Leasehold improvements are amortised equitably over the remaining period of the lease.	

The residual values, useful lives and method of Depreciation of property, plant and equipment are reviewed at each financial year end. Changes in the expected useful life are accounted by changing the amortisation period or methodology, as appropriate, and treated as changes in accounting estimates.

Property plant and equipment is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in other income / expense in the statement of profit and loss in the year the asset is derecognised. The date of disposal of an item of property, plant and equipment is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

5.10 Impairment of non - financial assets

The carrying amounts of the Company's property, plant & equipment and intangible assets are reviewed at each reporting period to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amounts are estimated in order to determine the extent of impairment loss, if any. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The impairment loss, if any, is recognised in the statement of profit and loss in the period in which impairment takes place.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, however subject to the increased carrying amount not exceeding the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior accounting periods. A reversal of an impairment loss is recognized immediately in profit or loss.

5.11 Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Long term investments are stated at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments. Current investments are carried at lower of cost and fair value and determined on an individual investment basis.

5.12 Investments in subsidiaries, associates and joint ventures

The Company records the investments in subsidiaries, associates and joint ventures at cost.

When the Company issues financial guarantees on behalf of subsidiaries, initially it measures the financial guarantees at their fair values and subsequently measures at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

The Company records the initial fair value of financial guarantee as deemed investment with a corresponding liability recorded as deferred revenue. Such deemed investment is added to the carrying amount of investment in subsidiaries.

Deferred revenue is recognized in the Statement of Profit and Loss over the remaining period of financial guarantee issued.

6 Taxation

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses, if any.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the

Standalone Financial Statement. However, deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

The carrying amount of deferred tax assets are reviewed at the end of each reporting period and are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

In respect of Other Comprehensive Income, Provision for Taxation will be made at the time of Actual crystallisation of Tax liability.

7 Revenue Recognition

a. Interest income

Interest are recognised as income on accrual basis where income is recognised when right to receive payment is established.

b. Dividend income

Dividend income is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

c. Net gain on fair value changes

Investments are subsequently measured at fair value through other comprehensive income (FVOCI) or fair value through profit or loss (FVTPL), as applicable. The company recognises gains/losses on fair value change of investments measured as FVOCI or FVTPL. The realised gains/losses on subsequent sale of investments are recognized as Capital Gain and reverse the previous recognized FVOCI or FVTPL as applicable.

8 Employee Benefits

Short Term Employee Benefits

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet

9 Earnings Per Share ('EPS')

The Company presents the Basic and Diluted EPS data. Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

10 Cash & Cash Equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

11 Provision, Contingent Liabilities and Contingent Assets

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

12 Exceptional Items

Exceptional items refer to items of income or expense within the statement of profit and loss from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the Company.

INDEPENDENT AUDITOR'S REPORT

**TO THE MEMBERS OF
GOLD ROCK INVESTMENTS LIMITED**

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **GOLD ROCK INVESTMENTS LIMITED** ("The Company") and its subsidiaries (the company and its subsidiaries and sub subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at **March 31, 2021**, Consolidated Statement of the Profit & Loss and the Consolidated statement of cash flow statement for the year ended including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Consolidated state of affairs of the Company as at March 31, 2021, and Consolidated Profit & Loss and its Consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matter described below to be the key audit matter in our audit of the Company for the year ended March 31, 2021:

Sr. No.	Key Audit Matter	Auditor's Response
1.	Fair Valuation of investments	
	The Group Company's investments (other than investment in Subsidiary and Associates) are measured at fair value at each reporting date and these fair value measurements significantly impact the Group results. Within the Group investment portfolio, the valuation of certain assets such as unquoted equity requires significant judgement as a result of quoted prices being unavailable and limited liquidity in these markets.	We have assessed the Group Company's process to compute the fair value of various investments. For quoted instruments we have independently obtained NSDL valuation report and recalculated the fair valuations. For the unquoted instruments, we have obtained an understanding of the various valuation methods used by management and analysed the reasonableness of the principal assumptions made for estimating the fair values and various other data used while arriving at the fair value measurement.

Information other than the consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's annual report, Management Discussion and analysis, Board's Report, including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the Consolidated state of affairs, Consolidated profit and loss and Consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India specified under Section 133 of the Act. The respective board of directors of the Group are responsible for maintenance of adequate

accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective management and Board of Directors are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Group is also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the consolidated financial that, individually or in aggregate, makes it probable that the economic decisions of a reasonable knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the consolidated financial statements.

- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors of the Holding Company and its subsidiaries which are incorporated in India, as on March 31, 2021 and taken on record by the Board of Directors of respective companies, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A” which is based on the auditor’s reports of the Holding Company and its subsidiary companies. Our Report express an unmodified opinion on the adequacy and operating effectiveness of the company’s internal financial controls over financial reporting.
- g) With respect to the matter to be included in the Auditors’ Report in accordance with the requirements of section 197(16) of the act, as amended :

In our opinion and according to the information and explanation given to us, the remuneration paid during the current year by the Holding Company and its subsidiaries which are incorporated in India is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director by the Holding Company and its subsidiaries which are incorporated in India, is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

- h) With respect to the other matters to be included in the Auditors’ Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Consolidated financial statements disclosed the impact of pending litigations as at March 31, 2021 on its consolidated financial position of the Group.
 - ii. The Group, its associates and jointly controlled entities did not have any material foreseeable losses on long-term contracts including derivative contracts.

- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies, associate companies and jointly controlled companies incorporated in India.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 1 (f) under “Report on Other Legal and Regulatory Requirements” section of our report to the members of GOLD ROCK INVESTMENTS LIMITED of even date Report on the Internal Financial Controls under clause (i) of sub section 3 of section 143 of the Companies Act, 2013 (‘the Act’)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended **March 31, 2021**, we have audited the internal financial controls over financial reporting of **GOLD ROCK INVESTMENTS LIMITED** (hereinafter referred to as “the Holding Company”) and its subsidiary companies, which are companies incorporated in India, as of that date.

Management’s Responsibility for the Internal Financial Controls

The respective Board of Directors of the of the Holding company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibilities

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning Of Internal Financial Controls over Financial Reporting

A company's Internal Financial Controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's Internal Financial Controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of the records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditure of the Company are being made only in accordance with authorization of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls Over Financial Reporting

Because of the inherent limitation of Internal Financial Controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or frauds may occur and not be detected. Also projection of any evaluation of the Internal Financial Controls over financial reporting to future periods are subject to the risk that the Internal Financial Controls over financial reporting may become inadequate because of changes in condition, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary companies, which are companies

incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- d. Capital Reserve and Goodwill arising in respect of each Subsidiary have been grossed up and is shown under the head Reserves & Surplus as "Capital Reserve (Net) on Consolidation" and under the head Non-current Assets as "Goodwill on Consolidation" respectively.
- d. As far as possible, the consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the group's separate financial statements.

2. APPLICATION OF NEW AND REVISED IND –AS

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

3. BASIS OF PREPARATION OF STANDALONE FINANCIAL STATEMENTS:

The consolidated financial statements have been prepared on accrual basis under the historical cost convention except for certain financial instruments measured at fair value at the end of each reporting period as explained in accounting policies below.

The consolidated financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest lacs, unless otherwise indicated.

4. USE OF ESTIMATES:

The preparation of consolidated financial statements in conformity with the recognition and measurement principles of Ind AS requires management of the group to make judgments,

estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures including disclosures of contingent assets and contingent liabilities as at the date of financial statements and the reported amounts of revenues and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

Key sources of estimation of uncertainty at the date of the consolidated financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of: fair valuation of unquoted equity investments, impairment of financial instruments, impairment of property, plant & equipment, useful lives of property, plant & equipment, provisions and contingent liabilities and long term retirement benefits.

5. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

5.1 Basis of preparation of Financial Statements

The accounting policies, as set out in the following paragraphs of this note, have been consistently applied, by the group, to all the periods presented in the said financial statements. The preparation of the said financial statements requires the use of certain critical accounting estimates and judgments. It also requires the management to exercise judgment in the process of applying the group's accounting policies. The areas where estimates are significant to the consolidated financial Statements, or areas involving a higher degree of judgment or complexity.

The consolidated financial statements are based on the classification provisions contained in Ind AS 1, 'Presentation of Financial Statements' and division II of schedule III of the Companies Act 2013.

Further, for the purpose of clarity, various items are aggregated in the statement of profit and loss and balance sheet. Nonetheless, these items are dis-aggregated separately in the notes to the consolidated financial Statements, where applicable or required. All the amounts included in the consolidated financial Statements are reported in Indian Rupees ('Rupees'), which is the group's functional currency. All financial information presented in INR are in absolute terms except per share data and unless stated otherwise.

5.2 Historical Cost Convention

The consolidated financial Statements have been prepared on the accrual and going concern basis, and the historical cost convention except where the Ind AS requires a different accounting treatment. The principal variations from the historical cost convention relate to financial instruments classified as fair value for the followings:

- (a) certain financial assets and liabilities and contingent consideration that is measured at fair value;
- (b) assets held for sale measured at fair value less cost to sell;

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

5.3 Current versus non-current classification

The group presents assets and liabilities in the Balance Sheet based on current/ non-current classification. An asset is treated as current when it is:

- a) Expected to be realized or intended to be sold or consumed in normal operating cycle
- b) Held primarily for the purpose of trading, or
- c) Expected to be realized within twelve months after the reporting period other than for (a) above, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a) It is expected to be settled in normal operating cycle
- b) It is held primarily for the purpose of trading
- c) It is due to be settled within twelve months after the reporting period other than for (a) above, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

5.4 Fair Value Measurement

The group measures financial instruments, such as, derivatives at fair value at each Balance Sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

The group categorizes assets and liabilities measured at fair value into one of three levels as follows:

- Level 1 — Quoted (unadjusted): This hierarchy includes financial instruments measured using quoted prices.
- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 - They are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

5.5 Financial Instruments

Classification

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The financial instruments are recognized in the balance sheet when the group becomes a party to the contractual provisions of the financial instrument. The group determines the classification of its financial instruments at initial recognition.

Financial assets, other than equity, are classified into, financial assets at fair value through other comprehensive income (FVOCI) or fair value through profit and loss account (FVTPL) or at amortised cost. Financial assets that are equity instruments are classified as FVTPL or FVOCI. Financial liabilities are classified as amortised cost category and FVTPL.

Business Model assessment and Solely payments of principal and interest (SPPI) test:

Classification and measurement of financial assets depends on the business model and results of SPPI test. The group determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including;

- How the performance of the business model and the financial assets held within that business model are evaluated and reported to the entity's key management personnel
- The risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way those risks are managed
- How managers of the business are compensated (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected)
- The expected frequency, value and timing of sales are also important aspects of the group's assessment

If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the group does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

Initial recognition and measurement

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in the Statement of profit or loss.

Financial assets and financial liabilities, with the exception of loans, debt securities and deposits are recognised on the trade date i.e. when a Company becomes a party to the contractual provisions of the instruments. Loans, debt securities and deposits are recognised when the funds are transferred to the customer's account. Trade receivables are measured at the transaction price.

Subsequent measurement

i. Financial assets measured at amortized cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost using the effective interest rate ('EIR') method (if the impact of discounting / any transaction costs is significant). Interest income from these financial assets is included in finance income.

ii. Debt Instruments at FVOCI

Debt instruments that are measured at FVOCI have contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on principal outstanding and that are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets. These instruments largely comprise long-term investments made by the group.

FVOCI debt instruments are subsequently measured at fair value with gains and losses arising due to changes in fair value recognised in OCI. Interest income and gains and losses are recognised in profit or loss in the same manner as for financial assets measured at amortised cost. On derecognition, cumulative gains or losses previously recognised in OCI are reclassified from OCI to profit or loss.

iii. Equity investments at FVOCI

These include financial assets that are equity instruments as defined in Ind AS 32 "Financial Instruments: Presentation" and are not held for trading and where the Company's management has elected to irrevocably designate the same as Equity instruments at FVOCI upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognised directly in other comprehensive income, net of applicable income taxes.

Gains and losses on these equity instruments are never recycled to profit or loss.

Dividends from these equity investments are recognised in the statement of profit and loss when the right to receive the payment has been established.

iv. Financial assets at fair value through profit or loss ('FVTPL')

All financial assets that do not meet the criteria for amortized cost or at FVOCI on initial recognition are measured at fair value through profit or loss. Interest (basis EIR method) income from financial assets at fair value through profit or loss is recognized in the statement of profit and loss within finance income/ finance costs separately from the other gains/ losses arising from changes in the fair value.

De-recognition

A financial asset is de-recognized only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the group has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognized.

Where the group has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognized if the group has not retained control of the financial asset. Where the group retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

Impairment of financial assets

In accordance with Ind AS 109, the group applies expected credit loss (ECL) model for measurement and recognition of Impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- b) Financial assets that are debt instruments and are measured as at FVTOCI
- c) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18
- d) Loan commitments which are not measured as at FVTPL

The group follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables or contract revenue receivables; and
- All lease receivables resulting from transactions within the scope of Ind AS 17

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L).

5.6 Financial liabilities

Financial liabilities equity instruments issued by the group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Trade and Other Payables

These amounts represent liabilities for goods and services provided to the group prior to the end of financial period which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value.

Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

5.7 Borrowing Cost

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying asset are capitalized as part of cost of such asset. Other borrowing costs are recognized as an expense in the period in which they are incurred.

Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds.

5.8 Property Plant and Equipment and Intangible Assets

Property, plant and equipment and intangible assets are stated at cost of acquisition less accumulated depreciation / amortisation. Cost includes all expenses incidental to the acquisition of the Property, plant and equipment and intangible assets and any attributable cost of bringing the asset to its working condition for its intended use.

5.9 Depreciation and amortisation of property, plant and equipment and intangible assets

Depreciation on following tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the furniture and fixtures, in which case the life of the assets has been assessed taking into account the nature of the assets, the estimated usage of the asset on the basis of the managements best estimation of getting economic benefits from such assets.

Tangible Assets	Useful life in years
(a) Buildings	60
(b) Plant and Equipment	15
(c) Furniture and Fixtures	10
(d) Vehicles	8
(e) Office Equipment	5
(f) Leasehold improvements are amortised equitably over the remaining period of the lease.	

The residual values, useful lives and method of Depreciation of property, plant and equipment are reviewed at each financial year end. Changes in the expected useful life are accounted by changing the amortisation period or methodology, as appropriate, and treated as changes in accounting estimates.

Property plant and equipment is derecognised on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in other income / expense in the statement of profit and loss in the year the asset is derecognised. The date of disposal of an item of property, plant and equipment is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

5.10 Impairment of non - financial assets

The carrying amounts of the group's property, plant & equipment and intangible assets are reviewed at each reporting period to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amounts are estimated in order to determine the extent of impairment loss, if any. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The impairment loss, if any, is recognised in the statement of profit and loss in the period in which impairment takes place.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of

money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, however subject to the increased carrying amount not exceeding the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior accounting periods. A reversal of an impairment loss is recognized immediately in profit or loss.

6 Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Long term investments are stated at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments. Current investments are carried at lower of cost and fair value and determined on an individual investment basis.

7 Investments in subsidiaries, associates and joint ventures

The group records the investments in subsidiaries, associates and joint ventures at cost.

When the group issues financial guarantees on behalf of subsidiaries, initially it measures the financial guarantees at their fair values and subsequently measures at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

The group records the initial fair value of financial guarantee as deemed investment with a corresponding liability recorded as deferred revenue. Such deemed investment is added to the carrying amount of investment in subsidiaries.

Deferred revenue is recognized in the Statement of Profit and Loss over the remaining period of financial guarantee issued.

8 Taxation

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses, if any.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Standalone Financial Statement. However, deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply

when the related deferred income tax asset is realized or the deferred income tax liability is settled.

The carrying amount of deferred tax assets are reviewed at the end of each reporting period and are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

In respect of Other Comprehensive Income, Provision for Taxation will be made at the time of Actual crystallisation of Tax liability

9 Revenue Recognition

Interest income

Interest are recognised as income on accrual basis where income is recognised when right to receive payment is established.

Dividend income

Dividend income is recognised when the group's right to receive the payment is established, which is generally when shareholders approve the dividend.

Net gain on fair value changes

Investments are subsequently measured at fair value through other comprehensive income (FVOCI) or fair value through profit or loss (FVTPL), as applicable. The Group recognises gains/losses on fair value change of investments measured as FVOCI or FVTPL. The realised gains/losses on subsequent sale of investments are recognized as Capital Gain and reverse the pervious recognized FVOCI or FVTPL as applicable.

10 Employee Benefits

Short Term Employee Benefits

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet

11 Earnings Per Share ('EPS')

The group presents the Basic and Diluted EPS data. Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

12 Cash & Cash Equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

13 Provision, Contingent Liabilities and Contingent Assets

Provisions are recognized when the group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

Contingent liabilities are disclosed in the consolidated financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

Contingent assets are disclosed in the consolidated financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

14 Exceptional Items

Exceptional items refer to items of income or expense within the statement of profit and loss from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the group.
